

Foundation Program	To University of Sheffield Degree	Overall grade	English grade
Foundation: Science and Engineering	MPhys Theoretical Physics with Study Abroad	70%	60% with min 40% in all skills
Foundation: Science and Engineering	MPhys Physics with Study Abroad	70%	60% with min 40% in all skills
Foundation: Science and Engineering	MPhys Chemical Physics	67%	60% with min 40% in all skills
Foundation: Science and Engineering	MEng Structural Engineering & Architecture	70%	60% with min 50% in all skills
Foundation: Science and Engineering	MEng Microelectronics	67%	60% with min 50% in all skills
Foundation: Science and Engineering	MEng Metallurgy	70%	60% with min 40% in all skills
Foundation: Science and Engineering	MEng Materials Science with Nuclear Engineering	70%	60% with min 40% in all skills
Foundation: Science and Engineering	MEng Electrical and Electronic Engineering	67%	60% with min 50% in all skills
Foundation: Science and Engineering	MEng Digital Electronics	67%	60% with min 50% in all skills
Foundation: Science and Engineering	MEng Civil and Structural Engineering	70%	60% with min 50% in all skills
Foundation: Science and Engineering	MEng Chemical Engineering with Nuclear Technology	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MEng Chemical Engineering with Energy	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MEng Chemical Engineering with Chemistry	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MEng Chemical Engineering with Biotechnology	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MEng Architectural Engineering	70%	60% with min 50% in all skills
Foundation: Science and Engineering	MChem Chemistry with Study in Industry	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MChem Chemistry with Study in Europe	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MChem Chemistry with Study in Australasia	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MChem Chemistry with Study in America	67%	50% with min 40% in all skills
Foundation: Science and Engineering	MChem Chemistry with Biological and Medicinal Chemistry	67%	50% with min 40% in all skills
Foundation: Science and Engineering	BSc(Hons) / MBiolSci Plant Sciences	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Speech and Language Sciences	60%	80% with min 70% in all skills
Foundation: Science and Engineering	BSc (Hons) Psychology	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Molecular Biology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Microbiology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Medical Microbiology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Medical Genetics	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Medical Biochemistry	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Geography	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Genetics and Molecular Cell Biology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Genetics and Microbiology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Genetics	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Financial Mathematics	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Biomedical Science	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Biochemistry and Molecular Cell Biology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Biochemistry and Microbiology	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Biochemistry and Genetics	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Biochemistry	67%	70% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) Archaeology	60%	60% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MPhys Theoretical Physics	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MPhys Physics with Medical Physics	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MPhys Physics with Computer Science	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MPhys Physics and Astrophysics	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MPhys Physics	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MMath Mathematics	67%	50% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MEnv Environmental Science	64-67%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) / MComp Computer Science with Mathematics	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) / MComp Computer Science	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) / MComp Artificial Intelligence and Computer Science	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) / MChem Chemistry	67%	50% with min 40% in all skills
Foundation: Science and Engineering	BSc (Hons) / MBiolSci Zoology	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) / MBiolSci Ecology and Conservation Biology	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BSc (Hons) / MBiolSci Biology	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BMedSci(Hons) Orthoptics	60%	70% with min 60% in all skills
Foundation: Science and Engineering	BMedSci (Hons) Health and Human Sciences	60%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng/MEng Systems and Control Engineering with a Year in Industry	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng/MEng Mechatronic and Robotic Engineering with a Year in Industry	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng/MEng Computer Systems Engineering with a Year in Industry	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng Mechanical Engineering with Industrial Management	70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng / MEng Mechatronic and Robotic Engineering	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons)/MEng Bioengineering with a Year in Industry	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) Materials Science and Engineering (Modern Language)	67%	60% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) Electrical and Electronic Engineering	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Electronic and Communications Engineering	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Systems and Control Engineering with Management	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Systems and Control Engineering	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Software Engineering	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Mechanical Engineering	70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Materials Science and Engineering	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Electronic Engineering	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Electrical Engineering	67%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Computer Systems Engineering	67-70%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Civil Engineering	70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Chemical Engineering	67%	50% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Biomaterials Science and Engineering	67-70%	60% with min 40% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Bioengineering	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Aerospace Engineering with Private Pilot Instruction	67-70%	60% with min 50% in all skills
Foundation: Science and Engineering	BEng (Hons) / MEng Aerospace Engineering	67-70%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	Mplan Urban Studies and Planning	63%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	LLB (Hons) Law and Criminology	65%	70% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	LLB (Hons) Law (European and International)	70%	70% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	LLB (Hons) Law	70%	70% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BSc (Hons) Speech and Language Sciences	60%	80% with min 70% in all skills
Foundation: Business, Social Sciences and Humanities	BSc (Hons) Psychology	67%	60% with min 50% in all skills

Foundation: Business, Social Sciences and Humanities	BSc (Hons) Economics with Finance	70%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BSc (Hons) Economics and Mathematics	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BSc (Hons) Applied Social Sciences	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BMus Music	60%	60% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA(Hons) Architecture and Landscape	70%	70% with min 70% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Urban Studies	63%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Sociology with Social Policy	60%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Sociology with Criminology	60%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Sociology	60%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Religion, Theology and the Bible	64%	50% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Quantitative Social Sciences	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Politics and Sociology	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Politics and Philosophy	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Politics	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Philosophy and Religion	64%	50% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Philosophy	64%	70% with min 60% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Korean Studies with Japanese	64%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Korean Studies and Business Management	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Korean Studies	64%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Journalism Studies	64%	80% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Japanese Studies	64%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) International Relations and Politics	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) International Politics and Security Studies	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) International Business Management with Study Abroad	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) History	67%	70% with min 60% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Geography and Planning	63%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Geography	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Education, Culture and Childhood	60%	60% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Economics and Politics	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Economics and Philosophy	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) East Asian Studies	64%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Digital Media & Society	60%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Classical & Historical Archaeology	60%	60% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Chinese Studies with Japanese	64%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Chinese Studies and Business Management	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Chinese Studies	64%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Business Management and Japanese Studies	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Business Management and Economics	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Business Management	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Architecture	70%	70% with min 70% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Archaeology	60%	60% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Applied Social Sciences	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Accounting & Financial Management and Economics	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) Accounting & Financial Management	67%	60% with min 50% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) / BSc (Hons) Landscape Architecture	63%	60% with min 40% in all skills
Foundation: Business, Social Sciences and Humanities	BA (Hons) / BSc (Hons) Economics	67%	60% with min 50% in all skills
